Overview

This guide describes how to enter the four required manual indicators for QOF 2020/21.

If these indicators are not completed, QOF achievement and aspiration will not calculate and payment may be delayed.

The indicators that need to be manually entered for QOF 2020/21 are

- QIECD005
- QIECD006
- QILD007
- QILD008

Step by step guide

1. Select the Data Submission tab from the CQRS main menu.
2. Select the Record Achievement option and select the correct financial year.
3. Select Quality and Outcomes Framework service from the drop-down box.
4. Set the achievement date to 31 March - the end date of the financial year.
5. Select Add New Achievement.

Record Achievement ? - Financial Year 2020/2021 v

Quality Service: QOF--- Annual----- Quality and Outcomes Framework 2020/21 v

Achievement Date: 31/03/2021 v Add New Achievement

6. Select Quality Indicators from the indicator group list

Quality indicators domain		
Quality indicators - Early cancer diagnosis	2 of 2	0 of 2
Quality indicators - Care of people with a learning disability	2 of 2	0 of 2

7. Enter the Yes/No value for each of the indicators then press Submit Achievement Data

Indicator ID	Description	Date Submitted	Submitted Values	New Values
QIECD005	The contractor can demonstrate continuous quality improvement activity focused upon early cancer diagnosis as specified in the QOF guidance.			Yes <input type="button" value="v"/> Yes/No Flag
QIECD006	The contractor has participated in network activity to regularly share and discuss learning from quality improvement activity focused on early cancer diagnosis as specified in the QOF guidance. This would usually include participating in a minimum of two peer review meetings.			Yes <input type="button" value="v"/> Yes/No Flag

Submission Notes: (1000 character limit)

If the rest of the QOF data hasn't been extracted yet, you will see the following message:

Click Yes.

8. After submitting your data, you will be taken back to the Indicator Group screen. You will then see a message at the top of the screen informing you the submission has been successful.

Quality and Outcomes Framework 2020/21  - Achievement Date: 31/03/2021

[« Back to Record Achievement](#)

The Data Submission Model for **Quality indicators - Care of people with a learning disability (QILD)** has been successfully submitted.

If you have submitted the required manual indicators by midnight on 31 March 2021, your information will be collected and CQRS will calculate your QOF 2020/21 achievement payment and QOF 2021/22 aspiration payments.

When the collection is complete you will see the information in CQRS and be able to declare it.
